Attorney's Docket No.: 05542-331003 / 3250C4

REMARKS

Applicant wishes to thank Examiner McDonald and Examiner Hail for the telephone conference of January 13, 2005.

In response to the Examiner's concerns, Claim 17 has been amended to recite that the computer is "programmed", in order to provide a positive recitation of structure rather than mere capability of performing the stated steps. Support may be found on page 8, lines 16-19.

Claims 21-25 have been cancelled, without prejudice to later filing of a divisional application, in response to a telephonic restriction between claims 1-20 and claims 21-25.

Since only claims 1-20 are now pending, the application should be in condition for allowance.

Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,

Date: 1/13/05
